

Communicating Intention with Functional TypeScript

A woman with short brown hair, wearing a black and white striped shirt, is on the left, smiling and looking towards a man. The man has long brown hair and is wearing a light blue button-down shirt, looking back at the woman. They are standing in front of a dark grey chalkboard. On the chalkboard, there is a faint white chalk drawing of a speech bubble that encompasses the text. The entire image is framed by a solid purple border at the top and bottom.
